

Sure-Step Handrail 360

The sleek pivoting design offers assistance both in and out of the spa with a simple lift and twist.

SureStep Handrail offers these benefits:

- *Large non-slip grip adds extra safety.*
- *Undermount plate held securely under the spa.*
- *Comprised of heavy-duty steal with textured black finish.*
- *Assembles in minutes.*
- *Includes mounting bracket for extra stability.*

Rotates 360°

Sure-Step Handrail

This model is a fixed, non-pivoting handrail for those looking for a strong, yet simple solution for your customers.

Accessorize your SureStep Handrail with optional towel bar and/or serving tray
